SPORTNA UNIJA SLOVENIJE – ZVEZA DRUSTEV ZA SPORTNO REKREACIJO IN SPORTNO VZGOJO (SPORTS UNIONS OF SLOVENIA - SUS)

Sports Union of Slovenia as the largest sports for all organization connects different sports organizations, associations, clubs, and individuals working in the field of sports recreation and sports education in Slovenia. It unites over 200 organisations and has over 60.000 members scattered all over Slovenia. Their common goal is to promote a healthy lifestyle and active use of leisure time.

The vision of the Sports Union Slovenia is to be the leading sports organisation in the field of sports recreation and education in Slovenia, which will seek to approximate recreational sports and physical education for every individual.

The purpose SUS is to unite clubs that act in the field of sports, sport, recreation, and recreational educational activities, encourage their advanced professional training, strive for the progress of professional work, and introduce new methodologies.

SUS has been accredited by the Ministry of Education in Slovenia to deliver certified (and compulsory) non-formal training programmes in their fields of expertise and is therefore well placed to ensure the proper validation/recognition also of the current training programme in the national system.

SUS is also striving for Slovenia, as a country, to become a major supporter of this field and make some legislation changes, which would facilitate the work of sports clubs and SUS itself.

SUS belongs to the network of EFCS (European Federation for Company Sport), TAFISA (The Association For International Sport for All), ISCA (International Sport and Culture Association), and FARE (Football Against Racism Europe).

Among the regular activities of SUS there are:

- education and supplementary training and improvement of professional and organisational staff so that the programme offered and publishing for this purpose is constantly enriched
- organisation of national and international sports meetings, seminars, conferences, congresses, and other forms of dealing with professional topics in the field of sport and recreation and physical education
- led and coordinated various international and national programmes and campaigns
- linking of sports clubs that deal with sport and recreation, physical education, and other forms of sport,
- cooperation with other sports organisations and professional institutions, other fields of social activities, and interested partners from the economy and the state,
- promotion of spatial planning and building of sports facilities and sports equipment of appropriate capacity and according to the most recent standards.
