

## **ERASMUSDAYS LOCAL EVENTS**

*The Erasmus days provide an opportunity for exchange, meeting, welcoming, and presenting the results of Erasmus+ projects.*

SIMCAS partners have organized several local events to disseminate the project mission and results to other national stakeholders.

### **GREECE: "SPORT AND REFUGEES"**

This webinar was organized on October 16 by Organization Earth and the Hellenic Paralympic Committee to highlight the social role of sport and emphasize how it can become a facilitator for the integration and inclusion of refugees in the local society. Organization Earth presented its work in the field including the results of the SIMCAS project achieved so far and the Hellenic Paralympic Committee presented its work with refugees with disabilities through a series of initiatives taken in the field.

STEADY aims to promote sports participation of displaced youth with disabilities.

SIMCAS aims to improve the skills and competencies of sports practitioners in promoting the social inclusion of immigrants.

## ITALY “THE SPORT WE WANT”

The US Acli has promoted “THE SPORT THAT WE WANT: a resource for the community”. It is a day dedicated to sport promoted annually by the US Acli that takes place simultaneously throughout Italy. It is aimed at citizens of all ages with an eye to the weakest categories, for an inclusive sport, accessible to all, as a social commitment and an instrument of well-being.

It was the third edition of this National Day, the event was held on 17 and 18 October, with as many as 80 sporting events and 55 sports disciplines promoted throughout the country, in compliance with the security measures and social removal due to the emergency Covid 19.

The multidisciplinary and inclusive sporting events were held in symbolic places of experienced or denied citizenship to be supported or relaunched through sport: disadvantaged suburbs, cultural sites, public squares and parks, sports fields and facilities, and prisons.

The numbers of the initiative:

- 16 Regions involved
- 41 Provinces involved in the event
- 55 Municipalities involved
- 80 Events scheduled
- 55 Sports disciplines and activities promoted

Overall, on the 15, 16 & 17th of October 2020, 5 024 events were held all around the world to celebrate locally the benefits of Europe. The success of the #ErasmusDays has proved the need to communicate European values, mobility’s benefits and Erasmus+ projects results at a large scale to be visible by citizens, professionals, media and policymakers.

Erasmus+ beneficiaries from more than 84 countries took part in the #Erasmusdays in order to raise the impact of their projects.
