

## US ACLI MULTIPLIER SPORT EVENT

Rome, 1st December – 3rd December  
2022

The MSE was split into two parts:

On 1/12/2022, was organised an international conference to present the SIMCAS project results.

The event was attended by representatives of the project partners involved in the initiative, national and territorial association leaders, institutional, sports, and social representatives.

On 3/12/2022 was held the training workshop for the implementation of the methodology identified, realised during the National Assembly at the beginning of the social year, which was attended by sports managers and coaches, national and territorial managers of the US Acli.
